### About Our Tints

Here at Clean Getaway, we know protecting your skin & your vehicle is of upmost importance! The sun has more bite & we love getting outside here on the beautiful Sunshine Coast! That's why we have chosen the best window film for our customers as we know what matters most!

We believe it's terrible when we see vehicles with bubbling window tint or when it has suffered colour fade – it's the recipe of poor-quality film! Our window tint is warranted for life, which means you can bring your car back whenever you like and if there is any fading, blubbing or even flaking – it's all covered under warranty, absolutely free!

Whether you want the darkest legal, optically clear, or even the most pimped out ride possible – we can provide a window tinting package to suit your style!
